Work with the tools I need

Not just the tools I use today but the tools I don't even know exist for tomorrow!

The screenshot shows the EduAppCenter website interface. At the top is the logo "EduAppCenter .com" and a navigation bar with links: Apps, Tutorials, Updates, Docs, Submit, and Login. Below the navigation bar is a banner that reads "An open LTI™ app collection. Browse apps below or [learn more](#)". Underneath the banner is a filter section with dropdown menus for "All Categories", "All Grade Levels", "All Platforms", and "All Access", followed by a text input field labeled "filter by name" and a "Reset" button. Below the filter section, it says "Showing 247 Apps" and two sorting options: "Alphabetic" and "Most Recent". The main content area displays four app cards. Each card has a logo, the app name, and a brief description. The apps shown are Apex Learning, Smarterer, SpringBoard, and Vanilla Forums. Each card also has a small "IMS" badge in the top right corner and a question mark icon in the bottom right corner.

Vanilla FORUMS

Vanilla Forums

Vanilla is an open source community forum tool that can be run for your institut...

The background is a complex, abstract pattern of overlapping triangles and polygons in various shades of blue, ranging from light sky blue to deep navy blue. The shapes are irregular and create a sense of depth and movement.

Dependable
