How to pick your perfect LMS/VLE

“We wanted an LMS that was committed to continuously improving their product. It also needed to be reliable, easy to use, with a clean, modern user interface.”

— *Damian Noud*
Team Leader
MRWED

A screenshot of the MRWED Training & Assessment website. The header features the MRWED logo on the left and navigation links: "COURSES Certificates & Diplomas", "PROFESSIONAL DEVELOPMENT Specialist Programs", "ABOUT Why MRWED", and "ENROL Book Online". The main banner has a dark background with a crowd of people. It contains the text "Could you be recognised?" and "Do you already have skills and knowledge in Training and Assessment but don't have the qualifications?". A green speech bubble on the right says "Why not talk to one of our Learning Support Team today about Recognition of prior learning. 1800 287 246". Below the banner, the "MRWED Training & Assessment" section describes the organization as Australia's leading provider of Trainer Training. It lists training centers in Brisbane, Sydney, Melbourne, and Adelaide, and mentions international training in Asia, Africa, and North America. Two columns of text provide more details: one about public courses and RPL programs since 2000, and another about professional development courses for trainers. On the right side, there are social media icons for Facebook, Twitter, LinkedIn, and YouTube. At the bottom right, there are two green buttons: "View Course Dates" and "CHOOSE A COURSE". Below the "CHOOSE A COURSE" button, two course options are listed: "Certificate IV in Training and Assessment TAE40110" and "Certificate IV in Leadership and Management BSB42015", each with a right-pointing arrow.

Ease of Use

Ease of Use

Our hardware has come a long way with usability

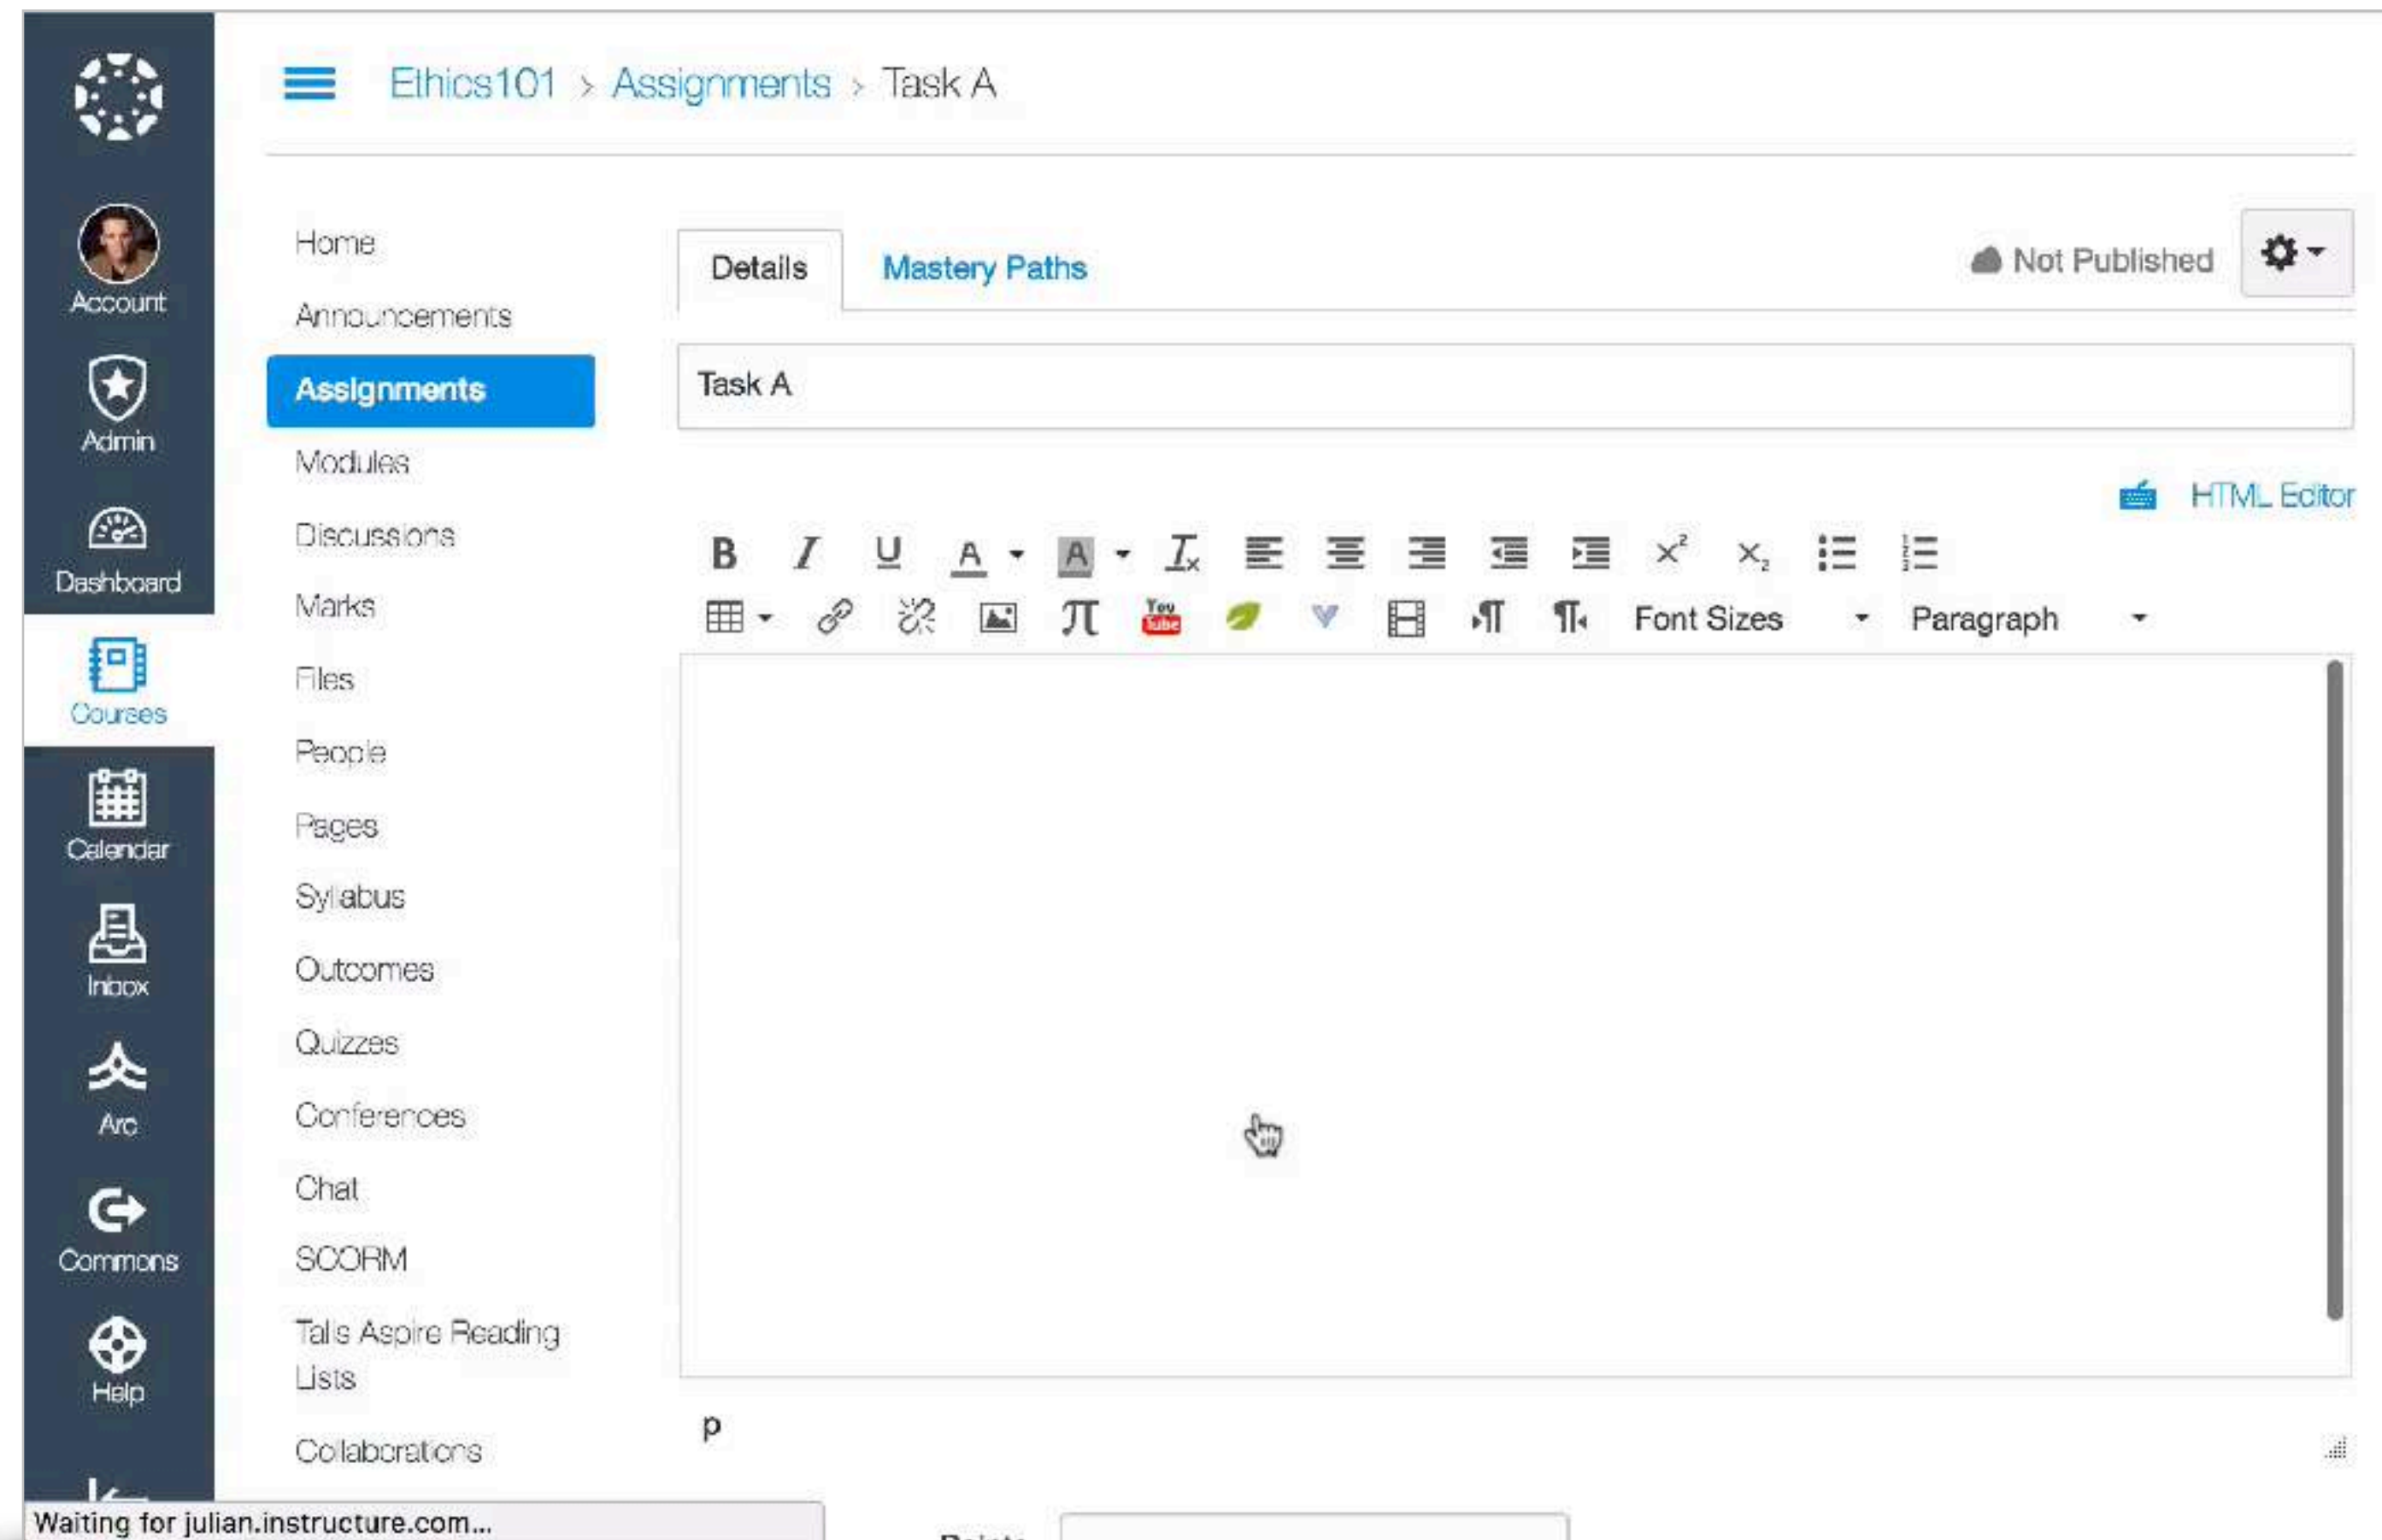

Ease of Use

Simple and intuitive drag and drop

The screenshot displays the Canvas LMS calendar interface. On the left is a dark sidebar with navigation icons and labels: Account, Admin, Dashboard, Courses, **Calendar** (highlighted), Inbox, Arc, Commons, and Help. The main calendar area shows a monthly view for November 2016. At the top, there are controls for 'Today', navigation arrows, and view toggles for Week, Month (selected), Agenda, and Scheduler. The calendar grid has columns for days of the week (MON to SUN). A task titled 'Task 78 - Group Work (2-students)' is added to Tuesday, November 1st. To the right of the main calendar is a smaller calendar for November 2016, with the 22nd highlighted. Below this is a 'CALENDARS' list with checkboxes for various items: Julian Ridden, ARC Demonstration, Badges for Learning, Biology -, Design Tools Customizations, **Legal Ethics 101** (checked), Microsoft and Canvas, Mobile Blogging and Scholarship, Prefects 2016, Quidditch, and SBE - Introduction to Sustainability. At the bottom right is a section for 'UNDATED ITEMS'.

Ease of Use

Powerful functions should be no more than two clicks

Work with the tools I need

The Tools I use with my students online

The screenshot displays the Canvas LMS interface for editing an assignment titled 'Task A' under the 'Mastery Paths' section. The left sidebar contains navigation links: Home, Announcements, Assignments (highlighted), Modules, Discussions, Marks, Files, People, Pages, Syllabus, Outcomes, Quizzes, Conferences, Chat, SCORM, Tal's Aspire Reading Lists, Collaborations, Bookshelf, Office 365, My Class SeeSaw, and a back arrow. The main content area shows the 'Details' tab for 'Mastery Paths', with a 'Not Published' status and a settings gear icon. Below the title is a rich text editor with a toolbar including bold, italic, underline, text color, background color, bulleted list, numbered list, link, unlink, image, YouTube, and other media icons. The editor contains the text 'Please watch this video.' and a cursor. At the bottom, there are input fields for 'Points' (set to 0) and 'Assignment Group' (set to 'Assessment').

Work with the tools I need

The tools that my students want to use.

The screenshot shows a Canvas LMS interface. On the left is a dark sidebar with icons for Home, Account, Dashboard, Courses, Groups, Calendar, Inbox, Arc, and Help. The main content area has a breadcrumb trail: Year 8 Maths > Assignments > A future world record. Below this is a list of navigation links: Home, Syllabus, Announcements, Discussions, Modules, Assignments (highlighted), Quizzes, Conferences, People, Marks, Collaborations, Chat, Class Notebook, Bookshelf, Office 365, and Google Drive. The assignment details show 'Due' as 'No Due Date', 'Points' as '20', and 'Submitting' as 'a file upload'. A 'Submit Assignment' button is in the top right. Two images are displayed: a group of sprinters on a track and a close-up of a sprinter in a starting block. Below the images is the 'Task' section, which asks students to analyze data for world record times to predict a record time forty years from now, specifically for the 1500 metres men's or women's world record. A link to 'Read these World record times for 1500 metres' is provided. At the bottom, there is a 'box' label, a page indicator '1 / 2', and search icons.
